

Weekly Report

Yuxin Ma

11.19.2012 - 11.26.2012

Intro

This week I spent most of my time on convex analysis examination and InfoVis courseware. InfoVis 2012 project was temporarily paused for a week.

Research

On Wednesday I made a presentation on my research proposal. More details on my project is needed.

Practice & Skills

None.

Miscellaneous

- **Courseware** This week we have push into Class 4.1. Next week two or more will be finished.

Plan for Next Week

- Resume research;
- continue making courseware and going over convex analysis.

References

None.
